

Choose one of the flags below and complete a project on that country using activities from the grid. How many activities can you complete from the grid? You can choose to complete these tasks on Hwb, in your Home Learning Book or using materials of your choice from home.

My study of:

List all of the major cities of the country.	Write a fact file about an animal from this country.	Design a tourist brochure to encourage people to visit.	Create a short class presentation on what you have learned about the country using PowerPoint on Hwb.	Find the highest and lowest daily temperatures of the country.
Write 10 facts about a famous artist from this country.	Draw a map of the country, marking the major cities.	Write a short report on a famous inventor or inventions from this country.	Create a mind map of all the things you have learned about this country.	Create a picture of a famous landmark of this country using a medium of your choice. (Pencil, colours, collage, paint, pastels etc.)
Draw an example of traditional costume/dress from the country.	Find out about the popular sports of the country.	Create a menu of traditional food from this country.	Research a traditional game played by children in this country.	Make a model of a famous landmark.
Draw the national flag. Can you find out any facts about the flag?	Create an information poster about the country.	Research vocabulary for numbers 1 to 10, days of the week and colours.	Research the names of the rivers, mountains and ports of this country.	Write at least 5 WOW facts about a famous landmark from this country.
